"Ask and you will receive; seek and you will find; knock and the door will be opened to you." Luke 11:9

Jesus assures us that if we ask, God will take care of what we need. The problem is that our culture often confuses what we really need with what we simply want. The truth is that many of us need very little. However, we usually want so much more! Stewardship is simply being grateful for all that we are and all that we have been given, and generously sharing all of our God-given gifts with others. Generosity is a gift that opens doors to new relationships with others and with God.
